During this time, Charlene worked in conjunction with wealth managers, private banks, tax planners and real estate agents to provide specialised services to suit her clients' needs. She also sat as Corporate Secretary for multinational corporations and local businesses. Charlene is the perfect example of hard work and good ethics which has allowed her to excel in a wide range of areas.

Without leaving aside her legal practice, Charlene also sits as an advisor to Boards and directs her skills towards community service and development through her registered Charity. Charlene's service involves co-coordinating and participating in fundraising and community outreach activities including making terminally ill children dreams come true and assistance to disadvantaged children throughout the Island.
